THE LATEST

Cynthia Asher
JFSA Board Chair

Dear friends,

We hope you had an amazing summer and we are excited to share our latest news. Let's all give a warm welcome to our new board chair, Cynthia Asher, who is passionate about our mission to help those in need. We also launched our Beat the Heat Summer Relief Campaign 2023 to provide lifesaving care to our neighbors. This campaign is ongoing, and we're so grateful for the support of our community.

In other news, we're officially fully moved into our new building! We still have a lot of work to do, but we're making great progress. We encourage everyone to come and schedule a tour.

We are also excited to announce that JFSA will be hosting its 16th Annual Help Hope Support Tzedakah Brunch event on November 19, 2023, at the Red Rock Casino Resort and Spa. This year, JFSA has started our new Breast Cancer Support Program, which is funded by the Ivan and Bernice Eisenberg Donor Fund and the Englestad Foundation. JFSA is proud to honor Optum Breast Care and Comprehensive Cancer Centers of Nevada for the work they do in fighting cancer.

In this issue, we highlight one of our most dedicated volunteers, Dorothy Boezman. Dorothy volunteers for JFSA five times a week and assists in the Food Pantry, Senior Companion Telephone Assistance Program, and the Foster Grandparent program. She provides companionship and support to seniors and children in need. Dorothy is a true inspiration, and we are so lucky to have her as part of our team.

JFSA is committed to changing the world for the positive. With the help of our dedicated staff, volunteers, board, and leadership, we are making a real difference in our community. We are committed to providing help, hope, and support to all in need, regardless of their circumstances. With your help, we will continue to change the world for the better. We thank you for your continued support!

INTERVIEW WITH **ZIVA HARRIS**

In the face of adversity, Ziva Harris has shown remarkable strength and resilience. A survivor of the Holocaust, she found herself struggling after the loss of her husband. But in the midst of her hardship, she found a lifeline in **JFSA's Holocaust Survivors Program**.

Ziva was born during World War II in Czechoslovakia and her parents fled with her to Budapest, Hungary. They were separated by the Nazis and Ziva was left with a couple on a farm. After the war, she was reunited with her parents, but they were strangers to each other and it took years for the family to adjust. They eventually immigrated to Israel and then Ziva immigrated to the US.

When her husband died, Ziva was traumatized and emotionally distraught. Her friends told her about JFSA and she contacted them for help. JFSA helped her complete an application for the Claims Conference and she became a member of the Holocaust Survivors at JFSALV.

JFSA provides Ziva with home care, food from the food pantry, gift cards for food, assistance with completing forms, referrals to other organizations, and social events. They also paid for an air handler in her home when her air conditioning system broke down. Ziva is grateful for the services JFSA provides and says they "look out for me." She especially enjoys the company of her PCA and the social events that JFSA hosts.

Ziva's story is a testament to the transformative power of JFSA's Holocaust Survivors Program. It is a reminder that even in the darkest of times, there is always hope. With the support of generous donors, JFSA is able to provide essential services to Holocaust survivors, ensuring that they are not forgotten.

When you donate to JFSA, you are helping to save lives. You are providing survivors with the resources they need to live with dignity and respect. You are also sending a message of hope and compassion.

***Please consider making a donation to JFSA's Holocaust Survivors Program today.
